ID	Link	Date	Creator	# of Likes	# of Comments	Claim (Summary)	Notes
1	Click Here	9/9/2025	jasonchumusic	15.6K	698	ICE is not just targeting “illegal immigrants”—it is also harming and targeting Asian communities, including people with legal or complex immigration status, so people should recognize this as a serious issue.	Didn't include advocacy orgs as experts.
2	Click Here	6/7/2025	singernickt	81.3K	4,845	ICE enforcement is harming families and communities, creating fear and trauma, and this is wrong.	
3	Click Here	1/25/2026	the_jefferymead	441K	7,087	Immigration enforcement is necessary because illegal immigrants commit serious crimes, and critics of ICE are selectively outraged for political reasons.	
4	Click Here	1/14/2026	deanwithrs	127K	2,359	ICE (and Trump) are abusing power, violating rights, and engaging in harmful and unethical actions that people should oppose.	
5	Click Here	1/22/2026	the_jefferymead	103K	3,563	ICE did not harm or target a child; it acted appropriately, and opposing narratives are false and politically motivated.	
6	Click Here	11/24/2025	marriedtoalunatic	740K	17K	ICE wrongfully detained and attempted to deport a Native American citizen, showing systemic problems and possible bias.	
7	Click Here	1/23/2026	krassensteins	67.7K	4,850	ICE is acting improperly/unjustly by detaining and removing a child despite a court order.	
8	Click Here	1/18/2026	teawithliberty	84.1K	2,658	Public outrage toward ICE is politically inconsistent, because similar or worse actions occurred under Obama without backlash.	
9	Click Here	1/9/2026	nyishaloraine	224K	19K	Civilians interfering with ICE enforcement is dangerous, illegal, and should not be encouraged.	
10	Click Here	1/12/2026	jesscraven101	74.1K	3,561	ICE is abusing power and committing human rights violations, and people need to actively resist and oppose it.	
11	Click Here	1/15/2026	estherforcongress	1.5M	21.7K	ICE is operating outside the rule of law and resembles authoritarian systems, so people must hold it accountable.	
12	Click Here	6/9/2026	your.richbff	278K	8,360	Mass ICE deportations are harmful—both morally and economically—and people should oppose them.	
13	Click Here	10/31/2025	patrioticpeach	74.8K	2,959	ICE is misunderstood and actually performs necessary work (like rescuing trafficking victims), so people should stop portraying it as harmful.	
14	Click Here	7/1/2026	prettyinformedgirls	151K	1,534	Deporting American-born citizens is illegal and equivalent to human trafficking and concentration camps, so it must be opposed and correctly labeled.	
15	Click Here	1/14/2026	annaconnellyiscool	107K	2,806	Most ICE detainees do not have criminal convictions, so common claims that detainees are criminals are misleading.	
16	Click Here	1/22/26	meghanelinor	22K	820	ICE did not harm or detain a child; media and liberals are manipulating the narrative, and ICE actually acted appropriately by protecting the child.	
17	Click Here	11/9/2025	cohen.489	214K	2,878	ICE detention involves exploitative forced labor that violates constitutional protections and resembles modern-day slavery, so it must be opposed.	
18	Click Here	2/9/2026	real.talk.us	19.1K	1,518	A federal court ruling allows ICE to detain certain immigrants without bond for extended periods, significantly expanding detention power.	
19	Click Here	1/12/26	spencewuah	117K	1,613	ICE is wrongly detaining Native American citizens, which is unjust, discriminatory, and makes communities unsafe.	
20	Click Here	1/11/2026	joshtheprogressive	36.1K	2,233	ICE should be abolished and replaced with a system that allows immigrants to stay, because immigration enforcement is unnecessary and harmful, and current policies serve political and military interests.	
21	Click Here	7/12/2026	thewokeginger	63.1K	3,816	ICE detention involves abusive and potentially unconstitutional medical practices (including non-consensual procedures), reflecting systemic human rights violations that must be opposed.	
22	Click Here	7/21/2025	grand_ole_evan	179.6K	11.3K	Immigration today is harmful because modern immigrants (especially illegal ones) rely on welfare and cost the government money, unlike past immigrants, so current immigration policies should be more restrictive.	
23	Click Here	12/6/2025	unitingnow	68.4K	2,418	ICE wrongfully detained and abused a U.S. citizen, showing dangerous, discriminatory behavior and lack of accountability.	
24	Click Here	6/17/2025	the_jefferymead	112K	9.3K	ICE enforcement is legal and necessary, and local officials and protesters are responsible for unrest—not ICE or federal authorities.	
25	Click Here	9/10/2025	jesscraven101	103.9K	4.8K	ICE is detaining and deporting non-criminal, lawful individuals in abusive conditions, which constitutes serious human rights violations that people must oppose.	
26	Click Here	12/10/2025	themaryhoulihanshow	298.1K	6.3K	ICE detention is driven by profit motives, exploits detainees through extremely low wages, and targets people broadly (especially minorities), so the system should be changed or eliminated.	
27	Click Here	1/21/2026	bottleneckloser	33.3K	452	ICE is randomly detaining (“kidnapping”) people—including U.S. citizens—and using dangerous force, creating widespread fear and unsafe conditions in Minneapolis.	
28	Click Here	6/9/2025	cheyenne.l.hunt	175.4K	8.1K	ICE is violently targeting civilians (including children) in unjustified raids, wasting taxpayer money, and acting in a cruel and abusive manner.	
29	Click Here	12/10/2025	realnews4ever	179.1K	4.4K	Media and anti-ICE narratives are misleading or omitting key facts; ICE is acting lawfully and effectively to protect citizens and improve safety.	
30	Click Here	1/7/2026	lilyeagla	800.8K	6.4K	ICE deliberately murdered a U.S. citizen and the media is covering it up to prevent public outrage.	
						ChatGPT was used to summarize the core claim by analyzing the Reel's transcript that was extracted with getthescript.app.
